

TELL US ABOUT YOUR AMBASSADOR ACTIVITIES

CREATE CHANGE TO MAKE A DIFFERENCE... After you've successfully completed an Ambassador activity, let us know all of the details! We would love to hear about what you did, how you did it, and any other comments you wish to share. We also would like to inform the rest of the autism community about your efforts and encourage others to follow in your footsteps next year! Use the back of this form if you need more room.

Send us photos! We might showcase your activity in our newsletter, on our website or in the 2013 Autism Awareness Ambassador Kit*. You can:

- E-mail photos to aamonth@autismnj.org with a description
• Post photos at www.autismnjambassador.org
• Mail us a copy of a print

*Note: Sending us photos gives us permission to reproduce them in an Autism New Jersey publication or on our website. Thank you!
