11th Annual Charity Golf Outing Hits the Green

By Sarah Gaspero,
Development Coordinator

On September 14, 2009, Autism New Jersey held its 11th Annual Autism Charity Golf Outing at Forsgate Country Club in Monroe Township, NJ. 200 golfers were on hand to enjoy a picture perfect day of golf. The event brought Autism New Jersey members, friends and representatives from the business community together in support of a great cause. "The event exceeded our expectations," noted committee co-chair, **Steve Pellegrinelli**, "especially in light of these challenging economic times." The event raised \$81,000 for Autism New Jersey.

Special thanks to the dedication and hard work of the Golf Committee, staff members and volunteers who worked tirelessly to make this year's event successful. We also thank those golfers and supporters who continue to be involved year after year.
