IEP Clinics

Autism New Jersey is pleased to offer Individualized Education Program (IEP) Clinics! These free clinics will give parents the opportunity to learn the components of an IEP and how to evaluate your child's IEP. Each clinic will begin with an Autism New Jersey staff presentation that overviews the IEP components and answers general IEP questions. You then will have the opportunity to gather in groups to ask specific questions regarding your child's IEP. Please be sure to bring a copy of your child's IEP as well as a list of questions.
