AUTISM FAMILY NIGHT

May 19, 2009

6:00pm to 8:00pm

Created in 2007 by event organizer, Alexandra Abend, Autism Family Night was conceived to provide families of children with autism with an opportunity to enjoy a stigma-free night out as a family at local T.G.I. Friday's restaurants. (See reverse side for participating New Jersey locations.) Simply present this flier or tell the hostess/server that you are a part of this awareness-building activity.
